Dear Parents/Guardians:

The No Child Left Behind Act 2001 (NCLB) includes the legislation governing much of the federal funding available in our school district.

Under NCLB, our district receives Title I monies to help all students achieve proficiency on the challenging state standards and assessments. Most of our funding is designated for the Basic Skills Improvement Programs in the Mitnick School. Title I monies also serve eligible students in local non-public schools.

The law also establishes the Parents' "Right to Know" provision, which allows parents to request information on the professional qualifications of their children's teachers. Please know that all of our teachers are "highly qualified". You may contact your child's principal if you have any further questions.

For more information on No Child Left Behind, visit our district web page at <http://www.lowertwpschools.com>. Under the link tab is a link for No Child Left Behind. This site explains the law as it applies to New Jersey schools and includes a link to an informative US Department of Education site (<http://www.nclb.gov>).

Sincerely,
George Drozdowski
Superintendent
